

Achieving Better Care by Monitoring All Prescriptions (ABC-MAP)

Act 191 of 2014

ABC-MAP Board Meeting
January 23, 2018

Agenda

- Old Business
 - Review/approve October 24, 2017, board meeting minutes
- New Business
 - PDMP Update
 - Other Initiatives
- Adjournment

PA PDMP Statistics

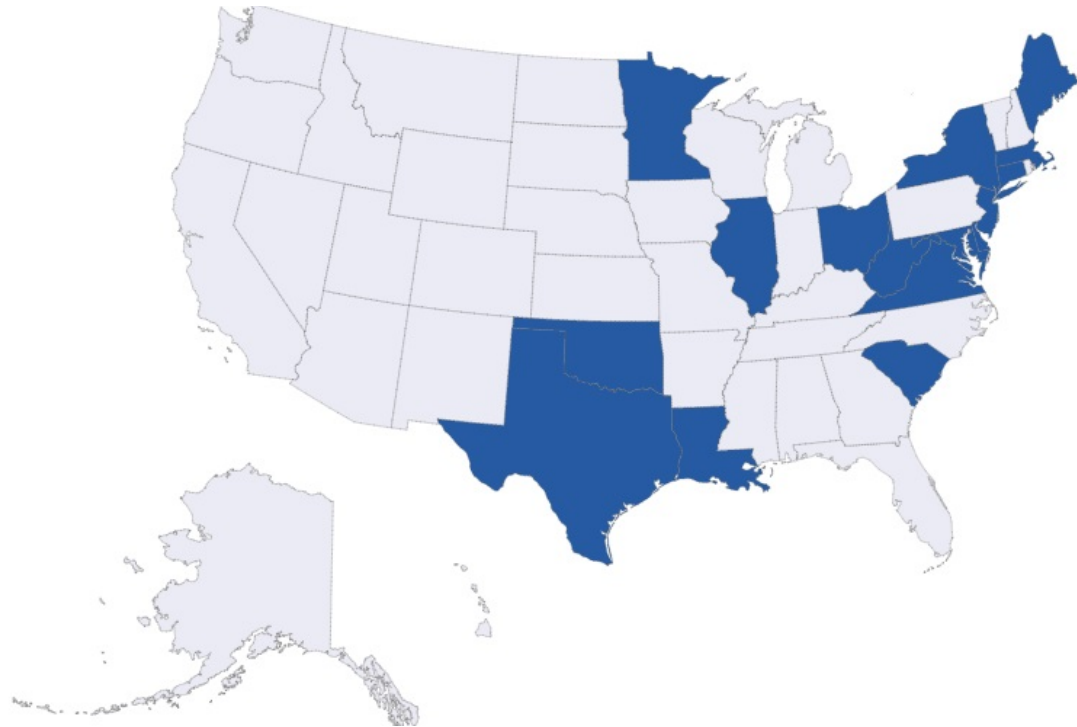

- 97,000 registered users of the PDMP since August 2016.
- Average of 1.1 million patient searches per month.
- Number of adults that received prescriptions for pain killers with a morphine milligram equivalent (MME) greater than 100mg/day decreased by 28% since Q3 2016.
- Number of youth that received prescriptions for pain killers with a morphine milligram equivalent (MME) greater than 100mg/day decreased by 46% since Q3 2016.

Doctor Shoppers	5+ prescribers, 5+ pharmacies in 3 months		10+ prescribers, 10+ pharmacies in 3 months	
Schedule II	89%	↓	100%	↓
Schedule II and/or III	87%	↓	100%	↓
Schedule II, III and/or IV	75%	↓	100%	↓

PDMP Education Work Group

Progress

- Culture Change Assessment:
 - About 55 health care site visits completed to assess culture change among leadership and identify prescriber education opportunities.
- Education materials consist of seven modules.
- Each module includes pocket cards, flow diagrams, resource flyers, etc., for prescribers and dispensers.

Effective Opioid Tapering Practices

PDMP Education Work Group

Progress

- CMEs are being finalized.
- Marketing materials are in progress.
- Aside from the 55 site visits, other health care entities will be contacted for availability to participate in an educational session(s).
- There will be online training available through PA Train, as well as face-to-face content delivery.

EHR and Pharmacy System Integration

Progress

Status	Count	Approx. number of providers
Integration applications received	466	20,443
In Process	56	24,877
Integration complete	2	2,115
On hold*	44	435
Total	568	47,870

- Among the 56 integrations in process, Jefferson Health, Lancaster General Health, Allied Services Integrated Health System, UPMC, Penn Medicine UPHS, Pinnacle Health Hospitals, Geisinger and Conemaugh Health System are included.
- The Veterans Health Administration (VHA) is moving forward with integration. A pilot will be conducted in Philadelphia and then rolled out across PA. Once integrated, PA will be the 1st state in the country to integrate its PDMP with the VHA.

Interactive Data Report

Contact Information

For questions about the interactive data report, please consult the technical notes or email pa-dh-pdmp@pa.gov.

Disclaimer

The PDMP Office is continuously working to improve the quality and timeliness of the data. The interactive data report represents a snapshot of PDMP and overdose data as of the date they were analyzed and is subject to change.
